single twisted macrame LUSUS MACRAME

Single twisted macrame cord. It is produced by twisting many cotton threads. Made from recycled cotton threads.

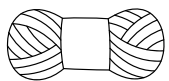

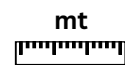

leather yarn DUPA

Leather yarn, Dupa is a yarn whose fashion increases with each passing year. It is used to knit luxurious looking bags. It is winding in a special winding machine, the ball type is different and its appeal is pretty high. The touch feeling is very similar to real leather. It is our only product that is sold by the number of balls rather than by weight.
